

NOVATO FIESTA 2019

Fresher's Day

16th September, 2019

All new things have a good beginning. Novato Fiesta, the first of its kind was an impromptu event organised by the II years of FDS and was held at the FDS Auditorium.

The program commenced at 2:00pm once the dignitaries were seated. The basis of the program was to provide a contest to crown the next Mr and Miss Fresher. The students from FDS were welcomed by a Ganesha Vandana, which was followed by various cultural events and games, which were specifically organised for the I years. These games varied all the way from an open mic to a glamorous fashion show. The students were given a platform to showcase their talents and introduce themselves, thus breaking the ice. The auditorium was aesthetically decorated by hand-made props and picture frames, which followed a colour coded theme of red, black and white.

A couple of events were also organised; a questionnaire was provided to each student of the I year, consisting of a few general questions, on which later they were adjudged and selected for the subsequent rounds. Following this, specific witty situations and hilarious dares were given to the juniors which lead to a series of rousing applause. The final round involved a face-off to crown the respective winners.

Towards the end, a Vote of Thanks was presented by the Class Representatives of II year, followed by a quick word of advice from the Academic Registrar, Dr Lavanya R. It then concluded with refreshments.

The entire event received apt participation from everyone, including the staff. Altogether, Novato Fiesta was an immense success, which wouldn't have been possible without the help and guidance of the staff.
