

AU REVOIR 2019

We the present intern batch hosted a farewell party for the outgoing senior batch of 2014 on **19th September 2019**.

AU REVOIR 2019 was conducted for the first time in Ramaiah Dental college under FDS. We wanted to bid farewell to our beloved seniors by putting forward memorable performances by involving all the teachers.

We started off the event with a group song, sung by the entire batch of 2015

We conducted games involving the outgoing senior batch and the teachers. Everyone loved watching the teachers and the students share the stage.

The first game was **Guess Who**, in this game the students of the outgoing batch were asked to imitate their fellow classmates and the audience had to guess whom they were imitating.

The second game was the **Helium Balloon Challenge** where the students and the teacher were asked to deliver famous dialogues after inhaling helium. It was a funny to hear their squeaky voices.

The third game was **Saree not Sorry**, teachers were asked to drape sarees on the students of the batch of 2014, this was exclusively for the men to showcase their saree draping talent.

The fourth game was **Never Have I Ever**, where the secrets and shortcuts of BDS life were revealed. It was a very exciting and quirky game, which included a lot of interaction between the teachers and the students.

In order to crown the best dressed male and female, the outgoing batch showcased their attire by walking the ramp.

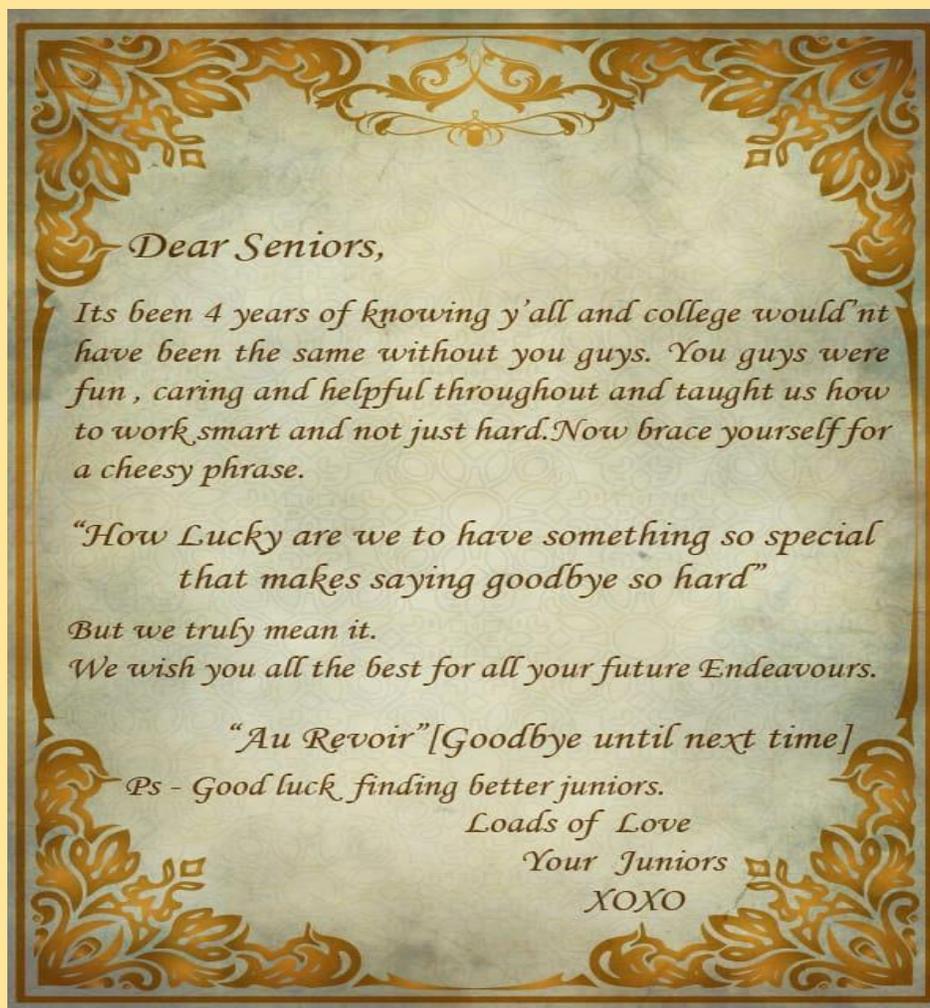

The best dressed were crowned at the end of the show.

This was followed by a heartwarming video which included memorable pictures of the outgoing batch and videos by the teachers wishing the students good wishes for their future. The teachers also performed for the students.

We presented our seniors with a small memento which was hand made by us which included a small note of our appreciation toward them.

Lastly, we performed a fun dance involving the whole batch of 2015.

At the end of the day it was a successful show, which was filled with fun, laughter and emotions, it will be a memory etched in our hearts forever.
